www.nps.gov/shen

Blackrock Summit - from Blackrock Summit parking, an easy one mile round trip hike with outstanding views and interesting geology.

Riprap Trail - 3.4 miles round trip from parking area to Chimney Rock, or a 9.8 mile circuit connecting with Wildcat Ridge Trail and the Appalachian Trail.

Turk Mountain - fairly easy, shady 2.2 mile round trip hike to a view.

Note: Round trip hikes proceed to a destination and return by the same route. Circuit hikes begin and end at the same point without retracing steps.

Leave No Trace Preservation through education: building awareness, appreciation, and most of all, respect for our public recreation places.
